Power BI by Arribatec

1. Service description

The solution displays visualizations of data from RamBase Cloud ERP through the use of the RamBase API. It allows you to have reports and dashboards tailored to your business needs.

2. Disclaimer

RamBase must contain the data you want visualized in Power BI and it has to be accessible through the RamBase API.

3. Requirements

At least one Power BI Pro License to view the reports. Licenses can be purchased through Arribatec's Cloud department if needed.

4. Support

Support is provided by Arribatec AS.

5. Price and payment

The Power BI Report package is a subscription-based fee with annual billing. The first-year subscription is billed from the month of installation until December. From year 2, subscription is invoiced in advance per year. The agreement takes effect from both parties' signature and is valid for 3 years. After that, the agreement continues until terminated by either party, with 6 months' notice. The subscription fee is regulated once a year according to the average price index from Statistical research at Statistics Norway (SSB) over the preceding 12 months, November to November.

Hourly work and any travel expenses will be invoiced monthly.

All prices are in NOK and exclusive of VAT. The payment term is net 30 days.
