Extension Product Terms

RamBase Automated Invoice Reception

1. Service description
RamBase Automated Invoice Reception supports electronic importing of supplier invoices to RamBase, both electronic (PEPPOL) as PDF or by paper. The service is provided via Visma Amili AS

2. Disclaimer
You acknowledge and agree that RamBase Automated Invoice Reception is provided "as is". No warranties, representations or commitments with regard to any specific functions, reliability and availability are made. For the avoidance of any doubt, the RamBase Service Level Agreement do not cover RamBase Automated Invoice Reception.

3. Requirements
RamBase Automated Invoice Reception requires that Visma Amili AS has API access to Your RamBase instance. Visma Amili AS may also delegate this access to any subcontractors used to provide this service.
The API access will provide view-only information about your suppliers, supplier purchase orders and locations, and will be used to assist in invoice interpretation and verification.
You are responsible for granting API access via the RamBase role system.

4. Support
Support for RamBase Automated Invoice Reception is only available through a RamBase support agreement.

5. Price and payment
The use of RamBase Automated Invoice Reception is invoiced monthly on a consumption basis in accordance with the current price list.
