RamBase Shipping Integrations

1. Service description

RamBase Shipping Integration provides an online integration between RamBase and delivery management service providers to generate shipping labels and simplify warehouse processes. The service is provided via Consignor AS.

2. Disclaimer

You acknowledge and agree that RamBase Shipping Integration is provided "as is". No warranties, representations or commitments with regard to any specific functions, reliability and availability are made. For the avoidance of any doubt, the RamBase Service Level Agreement do not cover RamBase Shipping Integration.

3. Requirements

You are responsible for having a separate contract with Consignor.

4. Support

Support for RamBase Shipping Integration is only available through a RamBase support agreement.

5. Price and payment

The use of RamBase Shipping Integration is invoiced monthly on a consumption basis in accordance with the current price list.
